

Last week a teacher at St. Benilde, Nicole Wenck's, family members lost their home and possessions due to fire. Living in the home were 7 people: her mother and aunt, both wheelchair bound, her sister and her nephews, ranging in age from 4 – 24. The family has rented a house and is in need of furniture and household items. Furniture that is needed includes: Kitchen table & chairs, sofa, coffee table, lamps, beds and bedding. Because two family members are wheelchair bound, they also need to replace their lazy-boy chair with power lift and bedside commode. Other items that are needed: a microwave, utensils, bakeware, Tupperware, towels, and toiletries. Anyone wishing to donate items to the family is asked to contact Nicole Wenck at 453-6800.
